Dear student,

EU Business School is delighted to welcome our community back on campus.

We have put extensive measures in place on campus to ensure your health and safety. Please follow our official safety guidelines and signs throughout our buildings. Remember that we all responsible for keeping our community safe.

Our facilities on campus have been thoroughly sterilized and are regularly disinfected. Ventilation has been increased to keep the air free of pathogens. Classrooms have been optimized and class sizes reduced to ensure social distancing. Safety screens have been installed in key places for added protection and temperature checks will be taken at our building entrances.

We advise you to have meetings with staff on Microsoft Teams or Skype whenever possible. If you need to come to campus, please make an appointment on Microsoft Bookings found on the Student Services section of Moodle.

Thank you for helping to keep us safe and for following these guidelines!

Regards,

EU Business School
