Welcome to EU Business School

We live in a fast-paced era in which education is no longer about acquiring information, but rather developing key skills and learning how to evolve with the world around us.

After your time with us, you will walk away with more than a degree and in-depth knowledge of business. You will have learned about yourself and how to communicate with people from a diverse range of backgrounds. You will have continued to grow and develop, both professionally and personally, enabling you to seize the new opportunities available to you.

We will help you be entrepreneurial, think for yourself, learn from your mistakes and, most of all, take advantage of the opportunities that will arise throughout your career. These attributes are ingrained into the EU Business School DNA. The rest is up to you.

You will face many challenges as you push boundaries within yourself and in the world around you. You will not be alone – we will accompany you along your path to success. From our Career Services Department to our global network of EU alumni, you will have access to dedicated business professionals to guide you as you establish yourself in the world of business. So, if you are looking for the best chance at a future of endless possibilities... start here.

We look forward to seeing you on campus.

MBA

This MBA is designed for forward-thinking and dynamic professionals who want to change their career path, move into managerial positions or expand their existing skill set. It offers a choice of six majors in the most in-demand areas of business.

ABOUT THE MBA

With three start dates per year (October, January and March), the MBA is a one-year, full-time or two-year, part-time program (90 ECTS) that deepens your knowledge and understanding of business to help you develop management and leadership skills. We offer six different majors to allow you to gain the specialist skill set you need to succeed in the business discipline of your choice.

The first two terms explore the essential skills for understanding core business concepts and the last term focuses on the chosen major. You will learn through live interactive webinars, case studies, business simulations, conferences with global leaders and group discussions, among others, and will be taught by lecturers from across the world who offer real-time, personalized tutoring. Classes are recorded for maximum flexibility and convenience to give you the freedom to organize your studies around professional and personal commitments. You will attend Business Immersion Weeks and an on-campus week in Barcelona, Geneva or Munich where you will be immersed in a real-world business environment, taking part in company visits, guest lecture sessions and business seminars and expanding your network. The MBA program culminates in a dissertation.

DEGREE AWARDED

- A university MBA degree (*título propio*)* awarded by Universidad Católica San Antonio de Murcia (UCAM), Spain.
- An MBA degree from EU Business School Switzerland which is internationally accredited by ACBSP, IACBE, IQA and certified by eduQua.

See all our MBA programs

*For more information about university degrees (*título propio*) and state-recognized university titles, please refer to the section 'Degrees at EU Business School' on our website at euruni.edu/degrees.

ADDITIONAL QUALIFICATIONS

While completing your MBA program, you have the opportunity to earn a second distinct qualification, a U.K. state-recognized degree from London Metropolitan University (London Met). You may choose to study an MSc in International Business Management or an MBA.

In order to obtain the state-recognized MBA, you must complete an extra building business insights report and a business competency simulation course. To earn the MSc in International Business Management, you must complete an extra business consultancy project module and a business competency simulation course. These courses are in addition to the MBA coursework.

The London Met MSc in International Business Management program is designed for aspiring professionals with less than two years of work experience, while the London Met MBA is for working professionals and those who have previously held managerial roles over a period of at least two years.

Both qualifications can be earned in one year of full-time study or two years of part-time study.

Career Services

Talent Development Services

at EU's Digital Campus offer advice to students on a one-to-one basis and in group sessions to enhance their career prospects and ensure their job search is successful. EU students receive guidance at each stage of their professional journey, whether it's deciding on their next step, changing careers or preparing for an interview.

ANNUAL CAREER DAYS

Students from our Digital Campus are given the opportunity to attend our annual Career Day. Here they meet with company representatives, hear from business leaders and recruitment specialists and participate in workshops and panel discussions designed to strengthen skills essential for achieving career success.

TALENT DEVELOPMENT

Our Talent Development Services offer coaching and career development virtual workshops on topics including job selection, personal branding and mentoring. In addition, they offer practical sessions on key aspects of the job search process, including building your professional online identity, optimizing your CV, writing the perfect cover letter, and preparing for an interview.

CAREER COACHING

At EU, we continuously work to promote the personal and professional development of all our students. We give students the opportunity to interact with career coaches and HR experts and hear from entrepreneurs and industry leaders on a wide range of topics. Students also may attend on-site Business Immersion Weeks where they will visit companies to see the inner workings of organizations.

The **EU alumni network** gives you access to an invaluable body of business professionals to help you transition from graduate to business leader. Join the EU Alumni Hub to connect to this community of 162 nationalities, which brings together 30,000+ alumni from across the world.

The **Alumni Hub**, the online platform for the EU Alumni Association, is where members can sign up for exciting events and activities, join professional groups to build relationships and discover career development opportunities. Members also use the Hub to share news about their achievements, connect with old classmates, post upcoming events, offer job openings and mentor others, sharing their expertise and inspiring the next generation of business leaders.
